Staff-Student Consultative Committee

- Meets every term.
- Gives you a voice in the running of department.
- You have been added to the Unitu online feedback system.
- Do you want to be a student representative?
  - Yes! Then make your pitch via Unitu.
  - Everyone votes on Unitu.

Year Coordinators and Personal Tutors

Each year (1st, 2nd, 3rd, 4th) has a year coordinator

- Monitors modules and teaching
- Coordinates coursework submission deadlines and feedback
- Gives advice on option modules

You have a Personal Tutor

- Member of academic staff.
- Tutorials at the start of each term
- Let your tutor know if you are having problems.

© 2018, Earl T. Barr

Rules and Regulations

- Look for the UCL Academic Manual and the CS Student Handbook
- Mostly about assessment and progression
- And so that UCL functions as an academic community
- You are now a member of UCL
  - Please respect UCL's traditions and regulations
- UCL has a long held and deep commitment to equal access and equal opportunities

© 2018, Earl T. Barr

Academic Issues

Talk to these people in order:

1. The module lecturer
2. The year coordinator
3. Your personal Tutor
4. The Departmental Tutor
5. The Head of Department

What Happens this Week?

- Details on your Induction Week Timetable
  - Follow this week, then the UCL common timetable
- Tuesday
  - Meet your Transition Mentor
  - UCL CS Welcome party for new UG students
    - 1-3PM, Student Central library bar, meet the academic staff
- Wednesday
  - Unix Introduction
  - TechSoc
  - Open Source and GitHub (bring your laptop *fully charged*)

© 2018, Earl T. Barr

Thursday/Friday

- Thursday
  - Introduction to IEP (BSc & MEng CS only)
  - Plagiarism
  - Set up your environment
    - Drop-in session from 2pm to 4pm, don't all come at once!
- Friday
  - Introduction to UCL Services/Facilities
- Weekend
  - Students Union UCL Freshers Fair

MEng Mathematical Computation

- Term 1
  - COMP0002 Principles of Programming
  - COMP0003 Theory of Computation
  - MATH0005 Algebra I
  - MATH0010 Mathematical Methods I
- Term 2
  - COMP0004 Object-Oriented Programming
  - COMP0005 Algorithms
  - COMP0012 Compilers
  - MATH0006 Algebra II
- You are automatically registered for all these.

© 2018, Earl T. Barr

BSc & MEng Computer Science

- Term 1
  - ENGF0001 Engineering Challenges
  - ENGF0002 Design and Professional Practice I
  - COMP0002 Principles of Programming
  - COMP0003 Theory of Computation
- Term 2
  - COMP0004 Object-Oriented Programming
  - COMP0005 Algorithms
  - COMP0012 Compilers
  - MATH0147 Discrete Mathematics for Computer Scientists
- You are automatically registered for all these.

Integrated Engineering Programme (IEP)

- BSc and MEng Computer Science are degrees within the IEP Framework
- Being an engineer:
  - Think and work like an engineer, theory and practice
  - Interdisciplinary
  - Your role in society, being a global citizen
  - And becoming a Computer Scientist
- Full IEP introduction later in the week

© 2018, Earl T. Barr

MEng International Programme & EMYs

- 3rd year is taken abroad at another university
- Apply in the 2nd year
  - Applying for a place is competitive

- EMY = Extra Mural Year, or Year in Industry
  - An *extra* year working in industry (2nd or 3rd)
  - Assessed for credit
  - Apply to companies as opportunities become available

© 2018, Earl T. Barr

Study Support in the First Year

- Transition Mentors
- Study Mentors
- Personal Tutors
- Inclusion Leads
  - Dr Graham Roberts
  - Sarah Turnbull

Study Mentors

- 2nd/3rd/4th year students
- Supports first year CS modules
  - Especially learning to program
- Senior mentors 3rd years
  - Anton Hristov
  - Matt X
  - Chris Hammond
- Group meetings
- Introductory events this week

© 2018, Earl T. Barr

Personal Tutors

- Everyone has a personal tutor
  - Some tutors will be at the party
- Make sure you meet you tutor at the start of each term
- Available for help and advice throughout term time
  - By default, contact via email
- All tutors have office hours when you can meet them

© 2018, Earl T. Barr

Personal Tutoring Open Hour

- Departmental tutor “open hour” available to all students
  - Term 1, Thursday 1—2PM @ Foster Court 114
  - Term 2, Thursday 1—2PM @ TBD
- Drop-in session to help with quick (5-10 min) queries
- Students will be referred to their own tutor if further help is required

The Computer Labs — All in MPEB

- Labs:
  - 1st Floor: 1.05 (Projects lab), 1.21 (Financial Computing lab)
  - 4th Floor: 4.06 (Apps lab)
  - Vlab: virtual computing service
- Large pool of devices
  - tablets, smartphones, IoT, VR kit.
- You have full, free access to MS Imagine (aka DreamSpark) and Office 365 Pro.

© 2018, Earl T. Barr

Using your Own Computer

- We strongly recommend you use your own laptop
- By default, use the eduroam WiFi service
  - Available across UCL campus and many other locations
  - Login with your UCL account
  - See http://www.ucl.ac.uk/isd/services/get-connected/wireless/ for connection details
- The CS student WiFi network is available in CS buildings
  - Go to the CS helpdesk to register for access
  - Inside the UCL firewall (eduroam is outside)

© 2018, Earl T. Barr

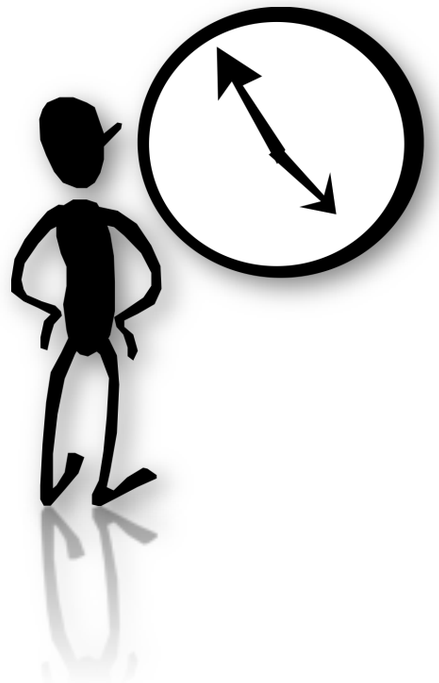
Combination Locks

- 4 digit combination code.
- Keep secret!
- Click the buttons in correct sequence and then turn the handle.
- Go to Helpdesk if you forget the combination.

© 2018, Earl T. Barr

Opening Times

- Normal working hours are 7:45am - 8:00pm, weekdays only, except when booked for classes
- Please leave the building quickly at closing time
- Some UCL Library buildings and student hubs have longer hours and weekend access



Computers — Basic Rules

- Don’t need to switch a computer on or off.
- Do not unplug wires or cables!
- Please report faults

© 2018, Earl T. Barr

Lab Etiquette

Use common sense

- We have rules but prefer friendly co-operation!
- Resources and space are finite
- Labs are quiet working areas
- Use computers sensibly
- Keep labs tidy
- No food or drink
- Don’t dismantle the furniture!

© 2018, Earl T. Barr

Printing

- The CS labs have printers

  See `http://tsg.cs.ucl.ac.uk/basics/printing/`

  A printer quota limits the number of pages you can print

- Or use the campus-wide ISD service

  `http://www.ucl.ac.uk/isd/services/print-copy-scan`

- In practice, there is not much to print

  Coursework and reports often submitted online in pdf

© 2018, Earl T. Barr

External Access

- Many services are web/cloud and accessible anywhere.
- For internal CS services there is a departmental gateway machine.

  The UCL Firewall restricts access to internal services.

- Must use a ssh connection.
- See Helpdesk web pages for more information.

© 2018, Earl T. Barr

The Help Desk

For help with CS hardware and software problems:

- Phone 37280 (internal)
- Visit MPEB 4.22; or
- Email `request@cs.ucl.ac.uk`

© 2018, Earl T. Barr

User Accounts

- Each user has
  - a login name (public)
  - a password (keep secret!)

- Never use another person's account

© 2018, Earl T. Barr

Logging In and Out

- You must *login* to start using a computer.
  - Enter username and password
- When you have finished using a computer, you must *logout*.
  - Usually via a pop-up menu item
  - Do not forget!
  - Do not switch the computer off!

© 2018, Earl T. Barr

CS vs. ISD Computer Accounts

- You also have an Information Services Division (ISD) computer account
  - ISD runs the UCL computing service
  - Many computer workrooms around the campus
    - Some have extended opening hours
  - `www.ucl.ac.uk/isd`
- Your CS Account ≠ Your ISD Account
  - Different username and password
- You need your ISD account to access Email, Portico and Moodle, and use the ISD computers

University College London Students' Union (UCLU)

- You are automatically a member of UCLU.
- UCLU is independent from UCL so it can effectively represent you.
- UCLU provides extracurricular activities and support while you are at UCL.
- Visit their **Welcome Fair Saturday 29-30th September, from 10am to 4pm.**
- If you want to get involved further, stand in UCLU's upcoming elections: www.uclu.org/elections.
- Look out for their weekly emails, like them on Facebook, or follow them on Twitter, or find out more at **www.uclu.org**

UCLU reinvests profits from its bars, gym, shop and cafes into student services.

Over 230 clubs and societies, intramural sport, and one off trips are also available.

They provide professional, independent advice on everything from housing contracts to UCL procedures. They also support student campaigns.

Volunteering Services Unit

Community volunteering is a big thing here at UCL

UCL is home to the biggest university volunteering department in the UK — the VSU

Last year, over 1900 students took part in projects across London

The VSU has links with over 400 charities and supports 72 different student led projects

Volunteering Services Unit

Charities UCL students volunteer at include:

IntoUniversity: Mentoring school students to help them achieve personally and academically.
The Passage: a drop in centre supporting people who are homeless.
Keen London: sports and arts activities for children with learning disabilities
Foodcycle: using good food that would otherwise go to waste to cook lunch for people in Somerstown.
Westminster Befriend A Family: running and swimming sessions for children from low income families.

Volunteering Services Unit

The VSU has loads of volunteering that you can dip into — environmental conservation, fundraising, cultural and sporting events, community festivals…

To find out more about what VSU does,

visit www.uclu.org/volunteers,

email volunteering@ucl.ac.uk, or

drop into their offices in the Lewis Building

UCL ESTATES
SECURITY

UCL Security are here for your Safety and Protection

But they need your help.

- **Visit Their Website** for their Advice on staying safe in and around the UCL Campus
- **Follow them on Twitter @UCLSecurity** for up-to-date advice and information on & off campus
- Put their **24/7 Emergency Phone Number** in your mobile phone NOW — **0207 679 2222**
- **Use your ID/Access Cards sensibly** and never let anyone follow you through a secure door

UCL ESTATES
SECURITY

Do Not Allow Unknown Persons Follow You Through A Secure Door

Whether at UCL or in your accommodation
You are putting yourself, your colleagues, your neighbours and your property at risk when you do
If you are unsure and do not want to be rude, let them go first

UCL ESTATES
SECURITY

Do Not Leave Your Valuables Unattended

Never leave your property unattended anywhere at UCL or use it as desk/table savers in our libraries, cafes, study spaces, refectory, etc.

If urgent, please ask someone you trust to watch it

UCL ESTATES
SECURITY

Be Aware Of Your Surroundings When Using Your Phone In Public.

- Check your surroundings before use
- Use away from the road and close to your body
- Install an app that can track your phone in the event of theft

Please Be Aware

Bogus Police Officers operate in this area

Groups of criminals are posing as police officers in this area in order to trick people and steal their money, credit cards, and valuables. These individuals wear ordinary clothes and use fake Police IDs to search people and take what they can. If you are stopped by a police officer, ALWAYS ask to see their Police ID – a genuine Police ID cannot be copied and looks like this:

The ID card will always have:

- ✓ **photograph of the officer**
- ✓ **a name**
- ✓ **identity number**
- ✓ **Metropolitan Police Service hologram.**

Remember:

» A genuine police officer will **ALWAYS** explain why you have been stopped and give you a form after the search is complete.

» A genuine police officer will **ALWAYS** be able to show you a valid ID and tell you which police station they are from.

» A genuine police officer will **NEVER** ask you for PIN numbers or money.

If you are in any doubt of the officer's identity, call 101 and explain the situation, stating the officer's name and warrant number. The operator will understand you are verifying identity. A real police officer will understand what you are doing.

In an emergency, always call 999

小心 – 伪冒警务人员工作在这个地区行骗

这个地区有些犯罪团伙冒充警务人员来骗人，窃取他们的金钱、信用卡和贵重物品。这些罪犯身着普通衣服，使用伪造警察证件来进行搜身，并尽其所能窃取任何物品。如果你被一名警务人员拦截，请务必要求查看他们的证件——真实的警察证件是不能被复制的并且背页会有类似的插图。

警察证件一定会有该警务人员的照片、姓名、证件编号及伦敦大都会警察局的全息图。

如果你对该名警务人员的身份有任何质疑，请拨打101说明情况，并注明有关警务人员的姓名和警证号码。接线员会明白你想核实警务人员的身份。一名真正的警务人员也会理解你为什么要这么做。

在紧急情况下，请随时拨打999

要注意 - この地域では偽装警察官が出回っています

この地域では、犯罪グループが警官を装って人々をだまし、現金、クレジットカード、貴重品を窃取する事件が多発しています。これらの人物は私服で、偽の身分証明書(warrant card)を見せて所持品検査を行い、貴重品等を窃取します。警察官に呼び止められた場合には、必ず警察の身分証明書の提示を求めてください。この本物の身分証明書を複写は不可能であり、また裏面のイラストレーションに似通っているはずです。

本物の身分証明書には、警察官の写真、名前、職員番号が記載され、ロンドン警視庁のホログラムが入っています。

警察官の身分について疑問を感じた場合は、警察の電話番号「101」をダイヤルして状況を説明し、警察官の名前と証明書番号 (warrant number)をお伝えください。電話交換手は、あなたが警察官の身分照合を行おうとしていることを理解しますし、本物の警察官であれば、こうした行為を理解するはずです。

緊急の場合は、常に警察「999」に通報してください。

احترسوا – توجد في هذه المنطقة أشخاص يتجولون مدّعين بأنهم ضباط شرطة

تدعي مجموعات من المجرمين في هذه المنطقة بأنهم شرطيين لخدعة الناس وسرقة أموالهم، وبطاقات ائتمانهم، والأشياء القيمة. ويرتدي هؤلاء الأفراد ملابس اعتيادية ويستخدمون بطاقات شرطة مزورة لتفتيش الناس وأخذ ما يمكنهم أخذه.

إذا أوقفك شرطي، اطلب دائما أن ترى بطاقة الشرطة الخاصة به - لا يمكن استنساخ بطاقة الشرطة الأصلية. وهي مصوّرة خلف الصفحة.

وستجد دائما صورة فوتوغرافية للشرطي على بطاقة الشرطة، واسمه، ورقم هويته، وهولوجرام خدمات شرطة العاصمة.

إذا راودك أي شك حول هوية الشرطي، اتصل على 101 واشرح الموقف، مع ذكر اسم الشرطي ورقم بطاقته. سيفهم عامل مقسم الهاتف أنك تتحقق من الهوية. كما سيفهم الشرطي الحقيقي ما تفعله.

في الحالات الطارئة، اتصل دائما على 999

You Are in the Driver's Seat

Unlike school, learning is fully *your* responsibility

We help but you must take charge of your own education and running your own life

Change the World

- *Not* just a slogan
- All students do Industry Projects
  - Build hardware/software for real people to solve real problems
    - Enable a charity to help people
    - Use energy more efficiently to reduce bills
    - Help the disabled travel
    - Work with doctors in the NHS
    - Make a difference
- Think long term — "What will the world be like 5 years after you graduate?"

Sidestepping Bromides and Platitudes

- Friends help you succeed and help you enjoy that success
  - This week, learn the names of each least three of your fellow students
- There are many ways to succeed and only one of them is jousting bare knuckles in the grade game
- Be curious
  - Ask your professors about their research
